Yoga Ethical Cards

Vera Akotuah is an artist and creates yoga inspired artwork using charcoal and pastel on handmade cotton rag paper from South India. In addition to the art she also makes yoga inspired art cards using handmade papers from exotic locations. The cards in the giveaway have been made using handmade paper from Thailand that are infused with banana, mango, raintree, eucalyptus, and lemongrass.

Yogastickmen Mug

Even with the best intentions it is sometimes difficult to connect and stay with our inner zen. The new Yogastickmen range of cards, mugs and coasters has been designed with just this in mind... to help us remember to take care of ourselves, to take our yoga off the mat, to keep our zen with us – and continue to relax, breathe, manage our stress and stay well throughout the day.

£12.50 | available from yogastickmen.com
